

Dear Parent/Guardian,

The PTA Chairman, the Executive Committee of the Parent-Teacher Association and the Headmistress of Methodist Girls' High School extend a warm welcome to all new parents of Methodist Girls' High School, Mamfe.

Over the years, the PTA has partnered the Management of MEGHIS to provide the necessary assistance for the training of our wards.

With the assistance of the PTA, the school has been able to undertake projects like:

- ✚ Renovation of Dormitory Blocks and Classroom Blocks,
- ✚ Extension of Assembly Hall, and
- ✚ Building of Pavilions for use as classrooms and
- ✚ Walling of the school.

The PTA has also provided facilities like a 60KVA generator plant, mechanized boreholes, Toilets/Washrooms facilities and others. It also ensures the security of our Girls and provides the necessary incentives to motivate the staff to give of their best.

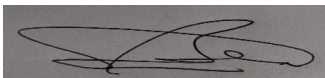

In order for the PTA to be able to continue supporting the school, your contribution from time to time would be very much appreciated. Parents are therefore entreated to support the PTA and the School through their contribution.

The Association meets at least once a semester, and all parents/guardians are expected to be present at these meetings.

We congratulate you and look forward to your fruitful contribution to the School and the Association.

Thank you.

Yours faithfully,

PROF. BERNARDIN SENADZA
(CHAIRMAN, PTA)
